## Understanding these principles will avoid delay in receiving your Financial Assistance!!

Initial:

- \_\_\_\_\_ I understand that the **first priority deadlines** are as follows:  
**Fall = May 1, Spring = October 1, Summer = February 1.** I understand that if I am eligible, the Student Financial Assistance staff will guarantee my disbursement by the first day of class if, and only if, the first priority deadlines are met. If I want to meet the deadline I should begin the process a minimum of **10 weeks** prior to the deadline.
- \_\_\_\_\_ I understand that the last day of the 2004-2005 school year to submit application documents to the Financial Assistance Office is **June 15, 2005.**
- \_\_\_\_\_ I understand that as the above deadlines approach it becomes very busy in the Student Financial Assistance office. Therefore, if I have a question that needs personal attention I may need to leave a message and wait to receive a return call. The best times to call are: Monday - Friday between 8:00 a.m. and 5:00 p.m. Mountain time.
- \_\_\_\_\_ I understand that it is my responsibility to keep my address and phone number current with the UVSC Records Department.
- \_\_\_\_\_ I understand that it is my responsibility to stay informed as to my financial aid status, which can be obtained by logging into the OnAccess section of the UVSC website at <http://onaccess.uvsc.edu> (social security number and date of birth will serve as your username and password).
- \_\_\_\_\_ I understand that I may need to check OnAccess often for any and all updates concerning my Financial Assistance.
- \_\_\_\_\_ I understand that if I am a Global Aviation student, not flying at UVSC Provo, and want to apply for an alternative loan, I must submit the Release Form and complete the Alternative Loan Counseling Session found at [www.uvsc.edu/finaid/aviation](http://www.uvsc.edu/finaid/aviation), step #8.

I agree to abide by all statements listed above. If I have any questions about these statements, I will contact the Aviation Student Financial Assistance Advisor at [aviationfinaid@uvsc.edu](mailto:aviationfinaid@uvsc.edu) or (801) 863-8974.
